- Students** = Students in attendance
- District** = District responsible for activities
- Building** = Buildings responsible for activities
- Teacher** = Teacher time for grade analysis

Morning meeting/training times are generally scheduled from 8:00AM to 11:30AM. Afternoon meeting/training times are generally scheduled from 12:30PM to 3:30PM on Institute days and 1:15 to 3:30PM on SIP days. An hour for lunch is normally needed to respect teacher travel time and a half-hour lunch break. Flexibility on these times may be needed to accommodate building or presenter schedules and/or to meet teacher’s staff development needs.

Note 1: For Balanced calendar, a Memorandum of Understanding with the CFT will be needed to provide time for teacher grade analysis on the ½ day SIPs of December 10 and June 2; by contract these ½ days for teacher grade analysis should fall on the afternoons of the January 3 and April 25 Institute days. For the Regular calendar, a Memorandum of Understanding with the CFT will be needed to provide time for teacher grade analysis on the ½ day SIP on October 15 and May 23; by contract this ½ day for teacher grade analysis should fall on the afternoon of the January 3 and April 25 Institute days.

Note 2: The number of ½ days for building activities is a function of multiple needs (e.g. alignment of staff development, teacher grade analysis) and is determined by the District through the Calendar Committee.
