Parents and community members attended a community forum on Wednesday, June 17, 2009, at Dr. Howard Elementary School to meet the lone finalist for the principal position at that school. The lone finalist is Ms. Jill Van Waus from Fort Myers, Florida.

Ms. Van Waus is currently the Principal at San Carlos Park Elementary in Fort Myers. Ms. Van Waus is the Instructional Leader for K/5 General Education, Autism Cluster, and Intensive Academics Cluster in her district. Ms. Van Waus earned her Bachelor of Science in Elementary Education from Illinois Wesleyan University and her Masters of Science from Florida Gulf Coast University.

The District administration will review the results from each level of the principal selection process, including the feedback from the community forum, and make a recommendation to the Board of Education on June 25.
