MEDIA AND PHOTO RELEASE FORM

In the spirit of promoting better education through awareness, Champaign Unit 4 School District works to highlight the positive activities and achievements of staff and students. As part of these efforts, the District works with local newspapers, radio and television stations, and community partners to capture these stories and share them with the community we serve. The District also produces such content as part of its own publications and website.

We are requesting your consent for your child to be interviewed or photographed as part of our awareness efforts, and for samples of their work to be featured.

Please note that by consenting, your child may be identified by name and classroom or school. We understand that some parents may request that we do not identify their child(ren), and provide an opportunity for parents to inform us of their wishes regarding publicity.

Please note, however, that your child's image or likeness may appear in occasional candid photos or video without any type of name identification and the use of these candid photos of your child is permissible. This release form does not apply to photographs taken during extracurricular activities. Students who attend extracurricular activities or events forfeit their rights to retain authority over the publication of photos taken.

Your permission helps celebrate the achievements of all of our students.
