

**Explore space, flight, robotics, and more!**

# Girls Quest STEM CAMP

EXPLORE | CREATE | CODE | IMAGINE

**JULY 22–25 / 9A–3P**  
**FOR GIRLS AGES 12–15**

**Cost: \$199 | Scholarships available**  
**Register: [parkland.edu/ceRegister](http://parkland.edu/ceRegister)**  
**or 217/353-2055**

Camp includes lunch, talks with STEM leaders, and T-shirt.

The quest is ON for adventures in STEM! Explore aerospace engineering with fun, hands-on activities using investigative methods.

You'll experience:

**principles of flight • orbital mechanics • how to launch spacecraft • how planetary rovers work • virtual reality • how to code robotic equipment • teamwork activities**

**community education**  
AT PARKLAND COLLEGE
