Add “/ACTIONS” next to “Out-of-School Suspension” and the following proposed description of ACTIONS: “**ACTIONS is an alternative suspension program that strives to reduce recidivism in suspensions and provide behavioral supports to students. Students suspended out of school are assigned to the ACTIONS Program instead of serving their suspensions at home.**”

- ~~During school hours~~
- ~~While going to and from school (portal to portal)~~
- ~~At any school related event regardless of time or location~~

Under “Rules of Conduct for Students,” delete :

~~#5 Students are responsible for their behavior from the time they leave their home for school in the morning to the time that they return to their home from school in the afternoon or evening (portal to portal). This would include students using any kind of Unit 4 transportation. Renumber accordingly. (The reference to Unit 4 transportation, though deleted, will remain the school district’s jurisdiction and will be covered as such.)~~
