**Future Meetings**

An additional meeting has been scheduled for Thursday, April 10 at 4:00 p.m. in the South Side library. Please be sure to review the Summary of Changes to ensure that all of the changes the task force has discussed are accurately recorded. We will also discuss pp. 36-54 at the April 10 meeting. Any policies currently listed in the Code that have been updated since last year's printing will be replaced with the most updated version, e.g., Search and Seizure 710.08R. The group will also discuss the possibility of adding a definition of "Level 1/Minor Infraction" to both glossaries and consider whether to add sample elementary, middle, and high school Level 1/Minor Infraction forms to the Code.

It is anticipated that April 10 will be the group's last meeting this year.
