Resolution – Proposed 2015 Tax Levy: Tom Lockman
The Truth-in-Taxation Act requires that when a school district’s proposed tax levy, as extended and less debt service, reflects an increase of more than 105% of the prior year’s extension, the school district must publish a notice of such intent and hold a public hearing on the matter. The proposed 2015 Levy does not exceed the 2014 Levy by 105% and, therefore, neither a separate public hearing nor advertisement of a public hearing is necessary.

District EAV: The total EAV for this year is projected to be $1,968,899,561 and $31,168,330 for new construction. The EAV last year was $1,926,391,441.

The District was able to levy $96,090,972.50 for this year-this includes the amount necessary for bonds and interest payments. After we abate our 6 bonds, as in keeping with Our Promises Made Promises Kept commitment, the actual levy amount will fall to $88,045,183. This amount is an increase of $3,505,009 and is a 4.1% increase over the previous year’s levy.

The total amount for bonds levied this year will be $9,056,202 (Before abatement). The total amount abated for bonds, as in keeping with our commitment to Promises Made Promises Kept, is $8,045,789.50. The net amount of the bond levy will be $1,010,412.50 for bonds (After abatement).
Approval of the 2015 Levy in December will provide the District with the potential to receive the allowable amount of property taxes after tax caps for a net amount of $96,090,972.50 (which includes debt service).

District Administration has been actively reviewing student enrollment and needs for the current school year. Based on this review, the following change to staffing allocations is being recommended:

- Add a Middle School Guidance Counselor at Franklin Middle School (1.0 FTE).

Reasons for this addition include:

- The number of students enrolled at Franklin has expanded significantly in recent years.
- Student needs are more intensive than can be supported by the existing allocation of Counselors.

The estimated cost of the additional counselor is $42,199 annually, plus all Board-approved benefits. This cost will be prorated from the date of hire for this school year.

District Administration recommended approval of the staffing request as outlined above.

Approval of Transfer from FY16 Education Contingency Funds: Tom Lockman

The FY16 Budget was created with dollars allocated to the contingency lines for the Education Fund. These allocations provide the District flexibility for when either emergencies occur or to provide the administration flexibility to make purchases that were unplanned or that had a price that was undeterminable during the planning process. The Education FY16 Budget had $301,278 allocated to the contingency line. Administration requested Board approval to transfer up to $50,000 from Education contingency to the Elementary Instructional Budget for the purchase of additional chrome books, carts and licenses for elementary schools. The remaining Education contingency amount would be $251,278.

Administration recommended Board approval to transfer up to $50,000 from Education Contingency to Elementary Instruction Budget.
